Switch & Save

Switch your auto loan to BPFCU, and
we'll beat your current rate by 1% APR*

Your auto loan could be costing you more than it should. If you financed your vehicle elsewhere, it may be time to switch and save. Refinance your auto loan with BPFCU, and we'll beat your current rate by 1%.*

A lower rate could mean a lower monthly payment, less interest paid over the life of your loan, and more money back in your budget. Make the switch and start saving.

SWITCH YOUR AUTO LOAN

*Loans are subject to credit approval. Rates and terms subject to change at any time. BPFCU will match or beat a member's current external auto loan rate by 1%, as low as 4.00%. Other terms and conditions may apply.
