## INTERNATIONAL CREDIT UNION DAY

FOOD : MONEY : GIVEAWAYS : GAMES

On October 20, 2016, BP Federal Credit Union, along with more than 56,000 credit unions around the world, celebrate International Credit Union Day (ICU Day), and the foundational principles that make credit unions unique. Credit unions are not-for-profit financial cooperatives guided by nine principles, including democratic control, social responsibility, and returning all profits to members. This year's theme is "The Authentic Difference," a description of credit union's cooperative structure and principles.

**BP Federal Credit Union celebrates ICU Day because it believes banking should be principled.**
