There are 200+ million credit union members around the world- more than 100 million in the U.S. alone, and BP Federal Credit Union joins them in celebration of the non-for-profit cooperative spirit that all credit unions share. This cooperative spirit has led to life-changing opportunities for people to own a home, continue their education, purchase a car and more. We are People Helping People. You are a part of so much more at BPFCU, this is why BP Federal Credit Union celebrates ICU DAY. Everyone is welcome on October 17, 2019 to celebrate this movement. ICU Day coming soon!
